91-517 1/2

Rating Adjustment re Bluenose RR at 91-393

Sam Sharpe's two losses we forfeits - not ratable
Thus his rating at end of event should have been 2073
- not 2039 so + 34

Jim Mathers rating should have been 2074 not 2090 so -16
Troy MacDonalda " " " " 1905 not 1928 so -23

The ad hoc corrections of +34, -16 and -23
have been entered by hand to dbase between
events 517 & 518.

P.S. I've decided not to correct the two Nova Scotia
players. They've both played a lot since 91-393
that this late correction would be inappropriate.
