The CFC Board of Governors recently passed the following motion:

That the CFC business office publish a supplementary rating list during months when Chess Canada Echecs is not published and that the list be sent for free to all affiliates and on a per-cost subscription basis of one year to any other individual or organization.

This is it. It even has a name. **NORTHERN**. As stated in the motion, Affiliates will receive **Northern** free of charge. This issue is also sent to journalists and to those who have run rated tournaments rated in this **Northern**. What our future distribution policy will be remains to be seen, but if you want to be sure of receiving **Northern**, you can either become an Affiliate (\$25/year) or book a subscription (\$6). More information on affiliation, CCE 55, page 35.

Which tournaments? **Northern 1** includes all events received up to 28 April 1983. That happens to be the same ratings to be published in CCE #60, May-June, about May 20. We intend to move the publication date back, so we hope to publish **Northern 2** about 15 June, **Northern 3** about 15 August, etc.

Which ratings? These lists are only **updates**. They will cover only ratings which have changed since the previous CCE.

What else? As space allows, we intend to include news. For example: Candidates: Kasparov 6-3 Belyavsky; Korchnoi 6-3 Portisch; Smyslov 7-7 Huebner (Smyslov won by roulette tie-breaker!); Ribli 4.5-3.5 Torre. Women's: Levitina 6-4 Gaprindashvili; Ioseliani 6-3 Liu; Semyonova 5-4 Muresan; Alexandria 4.5-2.5 Lemachko. It takes 5.5 to win. 50th Soviet Championship: Karpov, Polugaevsky +3; Balashov, Vaganian, Psakhis, Tukmakov +1 after about 10 of 19 rounds.

SUBSCRIPTION FORM

Please send me **Northern** for one year. I have received #1. I expect to receive #2 - #7 by First Class Mail. at the same address as I receive CCE. I enclose \$6.00.
