NEWS

The annual Toronto Open, held April 1-3 (the Easter weekend), was a real success with over 200 players competing. The Open section had more than 20 masters. The surprise winner was Jeff Reeve of Calgary, who defeated both top ranked Tom O'Donnell of Ottawa and Brian Hartman of Hamilton before conceding a last round draw to finish 5.5-5. His reward was the hefty \$600 first prize. Brett Campbell and Ian Findlay, both of Toronto, shared second place with 5 points.

BELGIUM

The first event of the World Cup, the S.W.I.F.T. tournament in Brussels, is under way. Eighteen players started the round robin but Rafael Vaganian was forced to withdraw due to the sudden death of his brother. The early leader, with 5 / 7, is Jonathan Speelman of England. Valery Salov, Ljubomir Ljubojevic and Mikhail Tal are next, all with +2 scores.

TOURNAMENT DIRECTORS

Please remember to put the DATES of your tournament on the crosstables you submit to the Chess Federation of Canada for rating. It is important to rate tournaments in the order in which they are played. Thank-you for your co-operation in helping to maintain the accuracy of the rating system!

Please be sure to give individual total scores as well. Adding up the results for your tournament should not take too much time.

Including the names of the tournament organizer, the reporter and the tournament director on the crosstable will enable us to properly acknowledge those who put in the time and effort to make the tournament a success.

How to subscribe to NORTHERN. Cost for one year is \$6.00. Send to the publisher:

Dear Chessplayer:

The Chess Federation of Canada is pleased to bring you the news that Kevin Spraggett has made it to the **Quarter Finals** of the World Chess Championship! We hope you will join with us in congratulating him on this brilliant achievement.

Of course, this is only one more step along the way. Kevin is facing Artur Yusupov, currently ranked number 13 in the world at 2620. Kevin is ranked 29th. You can readily see that he has his work cut out for him. He will have the advantage of "home turf" (the Spraggett – Yusupov match is scheduled to take place in Montréal in January next year), but that alone is not enough.

In order to have any real chance of defeating Yusupov, Kevin will have to take a significant amount of time out of his playing schedule to prepare for the match. As a professional player, he can't afford to take too much time away from tournaments — after all, he has to make a living!

And this is where you can help. Kevin needs some free time in which to prepare for Yusupov. A contribution from you can **make the difference**. Please take a moment **right now** to send your donation to "Kevin Spraggett" in care of the Chess Federation of Canada.

Just fill out the forms below and we'll make sure Kevin gets not only your contribution, but your letter of support. (Make your cheque or money order payable to "Chess Federation of Canada".)

Dear Kevin:

I was delighted to hear that you defeated Soviet GM Andrei Sokolov in your recent match in Saint John. Just getting into the Quarter Finals is an achievement of which you may be proud. I hope that my contribution will help you in your preparations to meet Artur Yusupov.

With Best Wishes

Dear Chess Federation of Canada:

I enclose my contribution of \$ _____, which I ask you to forward to Kevin Spraggett to assist him in his preparations to meet Artur Yusupov in the Quarter Finals of the World Chess Championship. For your records, here are my name and address:
