The Chess Federation of Canada

11 October 1983

This fourth issue of **Northern** gives the ratings intermediate between **EP** # 62 and # 63.

Junior / Olympic Chess Weekend

See inside back cover of **En Passant** issue 62 for details. So far we have 7 events registered. That ain't bad for a start, but we'd like another 50. Conspicuous by their absence so far are organizers from Ontario. Let's get going, guys. You should already have an application form.

Governors' Letter

We will publish brief results of motions approved by the Governors. No motions have been passed by the Governors yet in 1983-84. Two Governors' Letters have been issued. Subscription to the 1983-84 Governors' Letters is \$6.

Blacklist

The CFC Blacklist will now be published in each issue of **Northern**. The list divides itself into three groups:

1. Those people who have bounced cheques to organizers and have failed to make them good: Irene Gil, Don Mills;
2. Those people who have repeatedly played in CFC tournaments without being a member: Richard Bérubé, Québec; Daniel Boudreau, Hauterive; Daniel Cossette, Ile Perrot; Stephane Dupuis, Boucherville; Michel Fraser, Montreal; Michel Gagnon, Montreal; Andris Leimanis, Montreal; Eriks Leimanis, Montreal; Angelos Moshopoulos, Montreal; Renaud Nadeau, Kirkland PQ; Vlad Nikolovski, Toronto; Gerry O'Neill, Toronto; Roger Page, Montreal; Andre Villeneuve, Montreal.

3. Those people who have bounced cheques or refused to pay for goods or services from the CFC: M.Cunderlik, Toronto; Ken Field, Toronto; June Hogquist, Milwaukee; Peter Kimmerly, Vancouver; Ed Kubis, Toronto; Joe Lovett, USA; Club d'échecs de Québec; Ligue d'échecs de Québec; Linda Sedore, Toronto; Ecole Sileau, Québec, PQ; Stimulus Sales, Barrie Ont.

Fool Me Once

shame on you; fool me twice, shame on me. The state of collection of CFC membership dues has deteriorated in Montreal and Toronto. Apparently the USCF will return a tournament to the organizer if even one player is not a current member. We are not going to go that far yet, but we are going to be a bit firmer: Unless we receive a signed statement from an organizer that he will make good any CFC dues not collected at his tournaments, we will return a tournament to him unrated if it contains a participant who: a) is on the Blacklist, part 1 or part 2; OR b) is on a list of non-member players that we send him; OR c) is on the 1983 Annual Rating List with a rating given as xxxx; OR d) is not on the 1983 Annual Rating List; UNLESS that participant has provided the organizer with a current membership card or the membership fees are paid to the CFC.

Organizers should note that CFC membership is required of all players in a CFC rated event, even if they live abroad or are Grandmasters or International Masters. If you don't want to charge a GM membership fees, pay for him yourself.

New York

Despite what you read in **EP** 62, Kevin Spraggett has not gone to Yugoslavia to go after a GM title. Instead he went to New York to play in another Russian restaurant event. After a 3-1 start, including wins over Lein and Alburt, he faded, but recovered later. With only a round or so to go, GM Lobron of West Germany leads with 9½, Ivanov 8, Spraggett 7½. Ivanov started slowly but has caught fire. Next round: Spraggett vs Ivanov!

Nikšić

Gary Kasparov made a performance rating of over 2800 en route to an easy victory in Nikšić, Yugoslavia. His 11-3

score included a loss to Boris Spassky from a winning position! Bent Larsen took second place. His 9-5 score would generally be enough to win such a tournament. Other scores: Portisch, Spassky 8; Andersson, Miles 7½; Tal, Timman 7; Ljubojević, Seirawan 6½; Gligorić, Petrosian 6; Nikolić 5½; Sax 5; Ivanović 4½. The tournament was held in honour of Gligorić, whose own performance showed that he was not yet ready for the fossil exhibit.

Candidates' Matches

All of the Candidates' matches will take place. About October 2nd the Soviet Chess Federation surprised the chess world by issuing a statement that it "regretted" the dispute over where to hold the semi-final matches. It withdrew its protests as a gesture of good will.

This came after months of heavy diplomatic action as Soviet counsellors

visited sports ministries around the world in an attempt to garner support. Evidently they found that, at best, a minority of the 120 nation-members of FIDE would support their position without compromise.

The 1983 FIDE Congress took place October 5-9 and just such a compromise took place. The matches were rescheduled for December and will probably take place in Europe. The Pasadena organizers will receive some compensation for the losses incurred in relation to the abortive Korchnoi - Kasparov match. It was not made clear whether this would come from the Soviets or from FIDE or from the eventual match organizers. Finally, though this will not be part of the official agreement, the Soviets will end their boycott of Korchnoi. It could not be official, because the Soviets maintain there never was a boycott! It was just that their players, as individuals, refused to play Korchnoi. I saw the Soviet counsellor say this with a straight face. What self control! It was not revealed whether the boycotts will persist on other players like Ivanov or Alburt. Apparently, no action was taken with respect to Gulko.

Korchnoi and Ribli were both anxious to play the matches rather than win by forfeit.

There are still bad feelings left over, but the spectre of a collapse of FIDE has passed.

FIDE - Late, late flash

1983 FIDE Congress decided that Canada will remain a zone on its own.

The World Championship cycle goes from 3 to 2 years. So after the 1984 World Championship match, the next one will be 1986. Thus Canadian Zonal will be held every other year.

The Olympics will remain on a 2-year cycle, but in addition there will be a World Team Championship in odd-numbered years. Participants will be the top finishers in the Olympics plus the Continental champions. We believe the number of teams will be 10 in all.
