The Annual Meeting of the CFC took place during the Open. Almost the entire Executive was re-elected to a second term: Les Bunning as President, Michel Gagné as Vice-President, Martin Jaeger as Treasurer, Nathan Divinsky as FIDE Representative, and Francisco Cabañas as Rating Auditor. John Armstrong of Ottawa replaces Fred McKim as Secretary. The text of the new Motions passed at the Annual Meeting will appear in the next Northern when the Minutes are finalized.

The 1991 Canadian Closed was held in Scarborough from July 24 - August 2. IM Lawrence Day of Toronto won his first five games before losing to Wayne Barclay of Ottawa, but then coasted comfortably into first place with a win and two draws. Long one of Canada's top players, this was Day's first victory in the Closed Championship. Refer to the cross-table below for the full results.

TOURNAMENT DIRECTORS

Please remember to put the NAME and DATES of your tournament on the crosstable so that it will be rated in its correct chronological order. Also make sure that the *correct CFC number* of each participant is given on the crosstable, and that each participant is a *current CFC member*! We need your help to maintain the accuracy and integrity of the CFC rating system.

Please be sure to add up each player's score and include it on the cross-table. This can be done quickly and may help you avoid errors in your report. A brief report should accompany each crosstable. Please include the names of the TD, organizer and person reporting so that we can acknowledge your efforts on behalf of the CFC and chess in general.

If your event had more than one section please report these separately, i.e. each section should have its own crosstable. This doesn't cost you any extra money in rating fees and will ensure your event is correctly rated and reported.

Please note that *rating fees and membership fees* are NOT SUBJECT TO THE GST.

International News

The July 1991 FIDE Rating List shows some remarkable changes at the top. World Champion Gary Kasparov has dropped 30 points to 2770. Second place is now held by Vassily Ivanchuk at 2735 ahead of Anatoly Karpov with 2730. In fourth place is the little known Evgeny Bareev of the Soviet Union with 2680. Then there's Valery Salov and Boris Gelfand at 2665 while Nigel Short at 2660 is the top player not from the Soviet Union. Canadian GM Kevin Spraggett gained 45 points to return to a respectable 2540.

The Quarter Final Candidates Matches took place in Brussels from August 10 - 26. We don't know all the final scores but we can tell you who won. Jan Timman and Nigel Short both scored convincing victories over Victor Korchnoi and Boris Gelfand respectively. Anatoly Karpov had a close match with Viswanathan Anand but won the final game for a 4.5 - 3.5 victory. Artur Yusupov scored a dramatic victory in the 8th game of his match with Vassily Ivanchuk to level the score at 4 - 4, and then went on to win the playoff 1.5 - 0.5 to score a major upset over the second highest rated player in the world. The semi-final pairings are reported to be Karpov - Short and Timman - Yusupov.

The tradition seems to be established in Spain now for little towns to stage extraordinarily strong chess events. The latest such event was held in Tarrasa, just outside of Barcelona, which will be the site of the 1992 Olympic Games. The news here is that Vassily Ivanchuk, the victor at the Linares super tournament, played but did not win. First was shared by Michael Adams of England and Jaan Ehvest of Estonia with 6.5/9, ahead of Ivanchuk at 5.5 and Romanishin and Yepishin at 5. The young Michael Adams is playing quite a lot recently and his results just keep getting better. Yet another "young lion" challenging the two K's hegemony.

American Larry Christiansen was the impressive winner of a Category 14 event in Munich with 9.5/13, ahead of Beliavsky, Hübner, Gelfand and local player Gerard Hertneck at 8 points. Larry, long one of the world's most dangerous attacking players, has now added much positional and theoretical muscle to his play, largely through his involvement in the German Bundesliga team competition.
