

NORTHERN

OFFICIAL ORGAN
of
The Chess Federation of Canada

9 December 1991

Edited by Gordon Taylor

This fiftieth issue of Northern gives the ratings intermediate between EP #111 and #112.

Blacklist

The CFC blacklist is published in each issue of Northern.

The list is divided into four groups:

1. Those who have bounced cheques to organizers and have failed to make them good: Nick Treanor, St. Catharines; David Kitchicappo, Scarborough; Alfred Augustine, Kitchener;

2. Those who have repeatedly played in CFC tournaments without being a member: Daniel Boudreau, Hanterive; Andre Jean, Montreal; Roger Page, Montreal;

3. Those who have bounced cheques or refused to pay for goods or services from the CFC: R. Andstein, Nova Scotia; Bill Davidson, Oakville; Ken Field, Toronto; JUNE Hogquist, Milwaukee; T. Kelly, Toronto; Peter Kimmerly, Vancouver; Joe Lovett, USA; Ligue d'echecs de Quebec; Armando Moyano, Canary Islands, Spain; Suzanne Pepin, Ottawa; Linda Sedore, Toronto; Dennis Smeckert, St. Catharines; Tim Stewart, Hamilton; Stimulus Sales, Barrie; Oon-Thanh Troung, Edmonton; The Book Works, Abbotsford; Dan Elman, Saint John;

4. Those organizers who have been barred from running CFC rated tournaments: Chris Field, Scarborough; Ken Field, Toronto.

Motions of the CFC Governors

Northern carries the text of motions passed by the Governors of the CFC. The last update was in Northern 49.

Motion 92-9: The Canadian Closed Chess Championship be run as a Swiss.

This Motion was defeated. However, its affect, in combination with Motion 92-6 (see Northern #49, p. 1), is that now the Canadian Closed Chess Championship will be run as a 12-player round-robin.

Motion 92-10: That sections 1002, 1002.1 and 1002.2 in the Junior & Cadet Championship regulations be deleted in their entirety and be replaced by the official FIDE Age Specification Date Regulations for the junior tournaments, namely:

1002. Each entrant in the Canadian event must fulfill the age and residence requirements that are specified by FIDE for the FIDE event to which the winner of the Canadian event will qualify.

1002.1 The age of a participant in the Canadian event is his age at the beginning of the year in which the corresponding FIDE event to which the winner of the Canadian event will qualify, is held.

1002.2 Example: World Junior. For the World Under 20 (World Junior) to be held in 1992: eligible year of birth = $92 - 20 = 72$

"The participant in the Canadian Junior which qualifies a player for the 1992 World Junior must have been born on or after January 1, 1972."

1002.3 Example: World Cadet. For the World Under 16 (World Cadet) to be held in 1992: eligible year of birth = $92 - 16 = 76$

"The participant in the Canadian Cadet which qualifies a player for the 1992 World Cadet must have been born on or after January 1, 1976."

Golden Anniversary

This is our 50th issue! So now is an appropriate time to recall an old motion from 1983:

Motion 83-22: That the CFC Business Office publish a supplementary rating list during the months when *Chess Canada Echecs* is not published and that the list be sent for free to all affiliates and on a per-cost subscription basis of one year to any other individual or organization.

When *Chess Canada Echecs* ceased to exist, the *Northern* became the official organ of the CFC. Apart from the ratings and CFC news, the *Northern* also gives Canadian and foreign chess news as space allows. Thanks to all our subscribers for their support of this publication over the years. We hope you may all read our 100th issue!

International News

The first event of the World Cup cycle was held in Reykjavik, Iceland from September 21 to October 14. Former World Champion Anatoly Karpov led most of the way but was caught at the finish by Vassily Ivanchuk. They each scored 10.5/15. Sharing 3rd-5th were Khalifman, Ljubojevic and Nikolic at 9, while Yasser Seirawan with 8 points was the only other plus score. Sadly, it appears this was also the last event of this World Cup cycle. The GMA, meeting in Paris on November 12-13, agreed to the recommendation of its Chairman Bessel Kok to discontinue the 1991-93 World Cup cycle of chess tournaments after two organizers decided not to stage World Cup tournaments. The recent falling-out between

present World Champion Gary Kasparov and Bessel Kok was perhaps the prime factor leading to the collapse of this World Cup cycle though other factors have been cited by the GMA.

After some uncertain results, World Champion Gary Kasparov reaffirmed his number one position in world chess with a convincing victory at Tilburg. This event started just two days after the Reykjavik World Cup event which may help to explain the disappointing play of Karpov and Timman. This eight player, double round robin event saw Kasparov score 10/14 followed by Nigel Short at 8.5, Anand 8, Karpov 7.5, Gata Kamsky 7, Timman 6.5, Korchnoi 5.5 and Bareev 3. The following game is sure to become a classic:

Gary KASPAROV - Viswanathan ANAND

Forty years of Soviet domination in women's chess was ended when Xie Jun of China defeated Maya Chiburdanidze in the Women's World Chess Championship held in Manila from September 25th to November 2nd. Xie drew first blood by winning game 3, but the defending World Champion stormed back winning games 4 and 5. But these turned out to be Maya's only victories. Xie leveled the score by winning the 8th, went into the lead with a victory in the 11th and added to her lead with a win in the 13th game. Two further draws secured her 8.5 - 6.5 victory.

XIE Jun - Maya CHIBURDANIDZE (m/11)
