Canadian News

Once again, Longueuil superstar Alexandre Lesiège is in the news. This time he demolished the field at the 1991-92 Canadian Junior Championships. His incredible score of 10.5/0.5 was no less than 2.5 points ahead of 2nd place finisher Adam Littke as seen in the crosstable below. Lesiège's only draw was surrendered in the final round of the tournament. Congratulations Alexandre!

Perennial IM candidate Brian Hartman of Hamilton won clear first at the 1992 Continental Open in Buffalo. Hartman scored 3 wins and 2 draws to finish ahead of IM's Nickoloff, Formenak and Karklins. Brian says he will spend his \$1,000 first prize on books and equipment available only at the CFC Business Office. What a guy....

No fewer than three National Championships are scheduled in the near future. The Cadet Closed will be staged in Winnipeg from March 30 - to April 3. The Women's Championship is scheduled for May 2-3 in Ottawa. And Kingston, Ontario will be the site of the 1992 Canadian Closed. The opening ceremonies will take place on May 13 with the first round played on May 14. With this being a zonal year the fur will be flying.

The composition of Canada's Olympic Team has been announced. The six members are: Kevin Spraggett, Lawrence Day, Tom O'Donnell, Deen Hergott, Alexandre Lesiège and Leon Piasetski. Good luck to them in Manila this June!!

810. Rating Requirements

In determining the rating for qualification pursuant to Clause 808 (e), the following shall apply:

(a) The CFC Business Office shall calculate the average rating for each applicant as follows: the average of the player's rating in the January/February magazine of the year of the Championship Tournament, where the Championship is scheduled to start prior to June 1st, or the March/April magazine where it is scheduled to start after June 1st, with the highest rating achieved starting with the July/August list of the previous year.

(b) If the results of less than 10 ratable games have been received in the 12 months prior to March 1st of the year of the Championship Tournament, the player's rating (Clause 810 (a)) will be decreased by 10 points multiplied by the number of games short of 10.

(c) Rating changes as a result of a match between two players shall be disregarded for the purposes of calculating a player's rating under this section.

(d) In all cases, the ratings used in this calculation must be Established Ratings.

811. Additional Places

When a player who has qualified to play in the championship tournament has qualified under more than one clause of section 808, then the extra place shall be filled from the rating list pursuant to clause 808 (e). Where a player who has otherwise qualified cannot play because he does not meet the requirements of Section 813, then the extra place shall come from the rating list except when the player qualifies under Clause 808 (d) (regional champion) in which case the replacement shall be the highest rated player in the region who is willing to play and otherwise meets the requirements herein.

TOURNAMENT DIRECTORS

Please remember to put the NAME and DATES of your tournament on the crosstable so that it will be rated in its correct chronological order. Also make sure that the correct CFC number of each participant is given on the crosstable, and that each participant is a *current CFC member*. We need your help to maintain the accuracy and integrity of the CFC rating system.

Please be sure to add up each player's score and include it on the cross-table. This can be done quickly and may help you avoid errors in your report. A brief report should accompany each crosstable. Please include the names of the TD, organizer and person reporting so that we can acknowledge your efforts on behalf of the CFC and chess in general.

If your event had more than one section please report these separately, i.e. each section should have its own crosstable. This doesn't cost you any extra money in rating fees and will ensure your event is correctly rated and reported.

Please note that *rating fees and membership fees* are NOT SUBJECT TO THE GST.
