This seventh issue of **Northern** gives the ratings intermediate between EP # 65 and # 66.

Blacklist

The CFC Blacklist is published in each issue of **Northern**. The list divides itself into three groups:

1. Those people who have bounced cheques to organizers and have failed to make them good: Irene Gil, Don Mills;
2. Those people who have repeatedly played in CFC tournaments without being a member: Richard Bérubé, Québec; Daniel Boudreau, Hauterive; Sofie Golebiewski, Toronto; Andre Jean, Montreal; Andris Leimanis, Montreal; Eriks Leimanis, Montreal; Vlad Nikolovski, Toronto; Gerry O'Neill, Toronto; Roger Page, Montreal; Andre Villeneuve, Montreal.
3. Those people who have bounced cheques or refused to pay for goods or services from the CFC: Richard Brown, Winnipeg; Ken Field, Toronto; June Hogquist, Milwaukee; Peter Kimmerly, Vancouver; Joe Lovett, USA; Ligue d'échecs de Québec; Mike Mansfield, Ottawa; Henri Martin, Toronto; Paul McKinnon, Glace Bay NS; Suzanne Pepin, Ottawa; Linda Sedore, Toronto; Stimulus Sales, Barrie Ont.

Candidates' Matches

The final match Smyslov - Kasparov started March 9 in Vilnius, Lithuania. Last we heard the score was Kasparov 8 - Smyslov 4. Kasparov won 4 games. Since the winner is the first to 8½, the conclusion is pretty clear.

A tour is being organized to see the Karpov - Kasparov World Championship match. The all-inclusive fare of \$1,800 - \$1,900 depends on to a large extent on the exact dates. At present we know only 'vaguely' - August - September 1984.

For more information phone Henry Moos at Kennedy Travel, 296 Queen Street West, Toronto Ontario, M5V 2A1 (416) 593-0600 (note correct number).

Kevin Spraggett ! ! !

Our highest rated player recently won the Commonwealth Championship in Hong Kong. He won on tiebreak over GM Murray Chandler (England) after both had scored 8½-2½ in the 11 round Swiss. Tied for third were GM Jonathan Speelman (England) and IM Niaz Murshed (aged 17 of Bangladesh). Igor Ivanov was fifth.

Spraggett's expenses to play in the British Championship this summer will largely be paid as the result of his victory. He has also received an invitation to take part in the GM section at Hastings this Christmas.

Spraggett's and Ivanov's participation would not have been possible without the financial contribution of John Prentice. The Hong Kong organizers also made a special financial contribution to make possible the participation of the Commonwealth's # 2 and # 3 ranked players.

Canadian Closed

The 1984 Canadian Closed will be held in Ottawa. At present plans call for the event to start July 6th or 7th and end July 20th or 21st, and to be played at Carleton University.

Qualification details can be found on page 4 of En Passant # 65. The deadline for submission of the \$100 entry fee is 7 May 1984 (to the CFC). The list of participants will be published on 23 May, just after the Montreal qualifier. With 4 weeks to go, we have received only 4 entries so far!

Unknown talented player has chance to win championship

Before the death of reigning World Champion Alexander Alekhine in 1946, the process of finding the challenger for the title match was a hit-or-miss affair, with the prime requirement being the raising of substantial financial backing. Thus very strong contenders like the Latvian, Aron Nimzovich, never played for the title while weaker grandmasters, such as Efim Bogolubow (Ukraine), had two shots. The death of Alekhine led to the formation of the World Chess Federation and the establishment of an egalitarian qualification system where talent became the only determinant.

The nice thing about the current system is that it gives a completely unknown dark horse, you for instance, the chance to win the 1986 championship. Here is what you have to do. First get into the Canadian Closed by winning one of two Qualifying Opens. The Western Qualifier is in Edmonton, April 20-22 and the Eastern in Montreal, May 19-21. They are open to anyone and the winners join 14 players selected by rating and Provincial championships in the national finals set for Ottawa, July 7-21. The top two finishers advance to the Interzonals where the objective is to become one of the eight candidates who play elimination matches until there is only one challenger left. For more information on the Qualifying Opens contact the Canadian Chess Federation, Box 7339, Ottawa, Ont., K1L 8E4 (613) 741-4242.

This week's game is from the current Candidates Finals being played at Vilnius, Lithuania.
